

Resources in Rockingham County, NC *(April 2020 Update)*

This assistance guide is being provided to help connect Rockingham County families to local community resources. We do not endorse any particular agency nor guarantee that these services are currently available. If you are interested in particular services or agencies, please directly contact the agency directly to determine what supports and resources are provided at this time.

FOOD - By Location

On April 20th 2020, Governor Cooper announced that North Carolina has been approved for the new **Pandemic Electronic Benefit Transfer (P-EBT) program**, to help families purchase food for children impacted by school closings due to COVID-19. The program provides a benefit on an EBT card to North Carolina families whose children are eligible for free and reduced lunch at school. Families will receive \$250 in benefits per child, provided in two installments, with the possibility of an additional benefit if North Carolina schools are closed beyond May 15. Families will be able to use the P-EBT benefit to purchase food items at EBT-authorized retailers, including most major grocery stores. Families will not need to apply for the program, as eligible families already receiving Food and Nutrition Services (FNS) benefits will receive an additional benefit on their existing EBT card.
